

Grant Application Guidelines

General Application Information

Crippled Children's Foundation will consider requests from charitable organizations for financial support to fulfill medical needs of children 18 and under.

Application Process

Applications will be provided upon written request from the requesting organization's Board President. Requests must indicate a decision by the applying organization's Board of Directors to seek Crippled Children's Foundation for funding.

Completed applications are reviewed by a joint committee of selected members of the Crippled Children's Foundation and the Monday Morning Quarterback Club. Committee recommendations are, in turn, acted upon by the Board of Directors of the two organizations.

In order to be considered for a donation, an organization must meet our general guidelines. In addition to this requirement, donations are based on availability of funds and the organizations compatibility with our mission statement. Applicants will be notified of our decision prior to year end.

Application Deadline

In order to be considered for funding the application must be submitted by February 15th. Nine copies of the written request must be provided.

Application Format

Each applicant must provide all requested information, either in the attached format or in an alternate format that provides all requested information in a readily understandable fashion.
